Rali Goffa Dilwyn Jones Memorial Targa Rally
11th May 2025

FOREWORD

Bala and District Motor Club are pleased to welcome you to the 7th running of The Conwy Motorsport Engineering Rali Goffa Dilwyn Jones Memorial Targa Rally. The event will run on a Dual Motorsport UK Clubman AND Interclub Permit and will be based at Cywain, Bala and finishes at Bala Golf Club. The event will run 14 daylight tests at local venues on OS maps 124 & 125. The event will traverse tests totalling approximately 12 miles of tests and 97 road miles. We are extremely grateful to Llyr Williams and Ian Lloyd of Conwy Motorsport Engineering for agreeing to sponsor our event. Once again, we'll be raising money for The North Wales Air Ambulance with £1000 being raised last year.

The rally is named in memory of Dilwyn Jones who was a key member of Bala and District Motor Club holding several seats of office and being very instrumental in the setting up of the Ranges Motorsports Centre. Dilwyn was also a former Mayor of Bala, and even though he didn't come to the club in his later years he would constantly be asking the local members about what was going on in the club, so his interest never waned. We are grateful to Dilwyn's family for donating the winners cup in his memory.

The route will comprise of tarmac roads and un-metalled farm / gravel tracks. The route hand out's will be by colour photocopied route maps and a road book containing special test diagrams and details. As usual such events don't run themselves and it is a condition of entry that each crew supplies a Marshal.

The entry includes a Bacon roll and a cup of tea / coffee ahead of the start and a meal and drink at the end of the event for crew members

- B) Time Control; i; Timed to the minute & ii; Timed to the second (TC) Test Stop Control; Stop astride
- C) Passage Control (PC)
- D) Test Start Control
- E) Secret Check to ensure compliance with route instruction-
- F) Route Check (RC)

At each Main Time Control and Time Control the marshal will enter the time shown on the clock and sign in the appropriate box in the timecard. Some controls may not be manned, these may be represented by a Route Check (Code Board) competitors must note the symbols or letters on these boards on their timecard before proceeding. All controls except DSO secret checks will be indicated 50 metres ahead of the correct direction of approach by a control board. They must be visited in the order specified on the route card. Any control visited out of order will be deemed as not having been visited. Sections of the route may include not as map triangles that will have a control area of 5 metres. They will be identified in the route card and be preceded by a control board.

It is not the duty of a marshal to interpret the regulations or other written instructions to a competitor or to explain their meaning - it is the duty of the competitor to read and understand these regulations and all written instructions. Any competitor who causes any form of harassment to a marshal or any other official or who remains in a control area subsequent to an instruction to depart will be reported to the Clerk of the Course. The organisers reserve the right to exclude any such competitor if they wish. An altered, amended or countersigned timecard will be accepted if it is countersigned by the marshal at the time of alteration. It is the competitors' responsibility to ensure that the timecard is correctly completed and filled in. Competitors will be disqualified for defacing or altering a timecard.

Controls open 25 minutes before due time of Car 0 and close 15 minutes and 59 seconds after due time of last car is due. The organisers reserve the right to cancel any section from the results; Force Majeure notwithstanding.

The event will use the scheduled timing method. Timing will be to BBC / British Telecom time and by marshals' digital clocks. All crews are advised to carry an accurate digital watch with them on the event.

There will be 3 types of sections.

Neutral Sections

These are deemed Quiet sections and are used to take the rally through PR sensitive or populated areas. **PLEASE RESPECT THEM.** They are timed at a low average speed and competitors must complete the section in as high a gear as possible. Competitors must not make up times in these sections and no penalty will be applied for lateness other than for exceeding maximum lateness, any lateness incurred in these sections will be cumulative towards maximum lateness.

Transport Sections

These sections will be used to take the rally through non-PR sensitive areas and none densely populated areas. The sections will run as per neutral sections above. Competitors will be instructed to reduce lateness en-route. A competitor who wishes may miss a control or controls; he / she will be penalised for every control missed. If he / she re-joins the route at a control at the end of a standard section, he / she will be permitted to re-start without further penalty at any time between his / her original scheduled time and his / her maximum permitted lateness.

The maximum permitted lateness still being in relation to his / her original scheduled time. If the re-joining control is at the end of a neutral section, he / she will only be permitted to re-start without further penalty at his / her official corrected time based on the time taken at the last control at which he / she reported within maximum lateness. Competitors late at one control may be the equivalent amount late at succeeding controls without further penalty provided that maximum lateness is not exceeded.

Special Test

Details of special tests will be set out in the competitors road book this will include control positions, manoeuvre details and the positions of any chicanes or any other such features. Each test start will have an arrival and test start board at which points you should comply with any direction given by the Marshal. The test finish will be a "Stop astride" finish this will be marked with a red flag finish board and a white flour / paint line across the road. You should stop astride this line with the front wheels over the line and the rear wheels behind the line. Overshooting the stop astride line will carry a 30 second penalty.

All General Regulations of Motorsport UK will apply except for the following which are modified.

Secret checks may be established without prior notice eg Give Ways etc to ensure compliance with the route.

To be classed as a finisher, a competitor must report and receive signatures at the following.

- All main controls
- Damage Control

Within their maximum permitted lateness and in the car in which they start the event.

Maximum permitted lateness for all competitors will be 14 minutes 59 seconds between main controls

All competitors will be required to stop at all junctions on roads controlled by Give Way signs and other places specified in the route card / map handouts. A number of such places will be manned by Driving Standards Observers

Any control is considered to extend for 50m around the actual point at which Officials are making their records, unless clearly visible signs are displayed to define a different area.

Failure to comply with these instructions will result in penalties being applied YOU HAVE BEEN WARNED!

18. DAMAGE DECLARATION

All competitors will be required to complete a Damage Declaration Form, which must be handed at the finish or in the case of retirement forwarded to the Entries Secretary of the Meeting within 72 hours. Failure to do this will result the competitor being reported to Motorsport UK. Competitors' cars will be inspected for damage

If you have been involved in an incident that has caused third party damage this must be detailed within the Damage Declaration to help with any post event PR Work. Any competitor upon being proven as submitting false information will be retrospectively excluded from the results and forfeit any awards and championship points. Any competitor who as a result of his / her driving on the event is prosecuted by the Police will be retrospectively excluded from the results and forfeit any awards and championship points. Competitors are reminded that by Law that any incidents involving injury shall be reported to the Police. Competitors will be expected to contribute towards any costs or claims incurred in respect to property caused by them. It is a condition of signing the entry form and the Motorsport UK Signing on forms at the start that competitors accept this clause.

19. DRIVING STANDARDS OBSERVERS

You should note that failure to stop when requested by a DSO would incur a penalty of **Disqualification**; they will be judges of fact. A control board bearing DSO indicates their presence. DSO's will be appointed to adjudicate on the following: -

1. Excessive speed
2. Excessive noise
3. Illegal servicing / Use of tyres in accordance with ASR 20
4. Driving in a manner likely to put the sport into disrepute.
5. Excessive skidding and wheel spinning on the public highway
6. Compliance with special restrictions i.e. Quiet zones, Give Ways, etc.
7. Competitor behaviour at controls

20. SCRUTINEERING

Noise test and scrutineering will commence at 08.00hrs and finish at 9.45hrs. Individual times for scrutineering may be specified within the final instructions. Any competitor not signed on by 9.45hrs will be disqualified with his or her place being offered to a reserve crew.

All cars must comply with Motorsport UK Tyre and Vehicle Regulations as written and specified within the 2025 Motorsport UK National Competition Regulations. Scrutineering will be in compliance with The Road Traffic Act. The National Competition Regulations and Damage as **ASR18**. Cars will also be required to undergo a noise test, and if over 86 dBA is registered at two thirds of maximum RPM on the noise meter at 2.0 metres (or equivalent noise measurement) you will not be permitted a start. Noise checks will also be performed on the route.

Tyres: The Police and the WAMC have specified that only e-marked tyres may be used at all times during this event – please ensure that you can comply with this ahead of scrutineering as non-compliant cars will be refused at this point. Tyres will be marked at scrutineering a maximum of two spare tyres can be carried in the car for use on the event. This will be strictly monitored at test starts in accordance with ASR 16 the penalty for non-compliance will be Disqualification. Tyres must be road legal at all times throughout the event. Tyres must also be in accordance with the 2025 Motorsport UK National Competition Regulations

Paintwork is not required to be one colour and advertising not exceeding 1250 sq.cm in total is permitted. Large logos will need to be removed or completely covered up..

Crews failing either the noise test or scrutineering will not be permitted to start and will not be refunded their entry fee.

21. MAP MARKINGS / PACE NOTES & SERVICING

The use of map marking / pace notes will not be permitted. The only markings permitted will be that of related information given out by organisers and highlighting of information already on the map.. Any competitor found to be infringing this rule will be **Disqualified**. Map checks on route will ensure compliance.

Servicing will not be permitted at any time during the event except by crews working on their own vehicle. This also applies at the Rest Halts, but crews may borrow tools from fellow competitors. The penalty for infringement is **Disqualification**

22. INSURANCE

Unfortunately, the Motor Club has been unable to secure a blanket cover for the event and therefore all competitors will need to ensure that they have the correct insurance cover and that a photo of the document is uploaded before the event – these should be uploaded as a part of your document upload via Rallies.info ahead of the event – **No proof of Motorsport Insurance – No Start.**

23. FINAL INSTRUCTIONS.

Final instructions will be e-mailed out to competitors in the week prior to the event; to the navigator unless requested otherwise. Please indicate on the entry form if you are unable to accept the final instructions by e-mail and require a set posting by Royal Mail.

24. Motorsport UK National Competition Regulations 2025

Competitors are strongly recommended to make themselves aware of relevant regulations concerning Road Rallies.

25. Official Photographers

The official photographer for the event will be announced in the final instructions, should one be appointed
