FOREWORD

Welcome to the third running of The Gareth Hall Winter Challenge. We intend to run a no nonsense road rally organised by competitors for competitors and this year welcome the Welsh Championship contenders.

The rally is again being organised as an annual event in memory of Gareth Hall. He was however a loyal member of Bala & District Motor Club, who was equally happy to either be competing or marshalling and helping fellow club members on other events. He enjoyed his co-driving and scored some very notable results, including winning the Welsh Forestry Navigators Championship.

Thanks to the generosity of all the course cars, PR crews, officials and closing cars donating their expenses back to the club last year. We are running this year's event in aid of the North Wales Air Ambulance who will be collecting at the start so please give generously as you never know when you may need their services.

The event will start from the Pavilion in Corwen and finish in the Cerrigydrudion area. The route will be approximately 150 miles of classic roads with a few whites thrown in for good measure. Please remember the time of year, choose your tyres carefully!

We hope that you can join us on the event, which we hope will be organised and run as a fitting memorial to Gareth.

Finally as with most road rallies we need numerous marshalls to ensure a good nights sport for you the competitor and therefore it is a **CONDITION OF ENTRY** that every competing crew supplies at least **ONE MARSHALLING CREW WITHOUT EXCEPTION**. We look forward to receiving your entries and to see at the start venue that evening.
